Documenting Environmental Crises:

**The devastating effects
of forest clearance,
wetlands disappearance
and increasing
desertification in China**

Lecture by
Sean Gallagher, photojournalist
Pulitzer Center on Crisis Reporting

Wed., Nov. 2 • 7 p.m.

Lilly Family Gallery, Chambers Building

DAVIDSON

Following a Q&A with Gallagher, Dr. Chris Alexander will introduce the Pulitzer Center Travel Writing Grant, an opportunity available through the Dean Rusk International Studies Program, explain the application process, and take questions.
